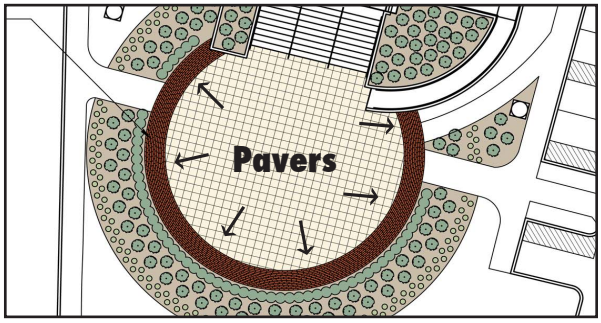
CHESAPEAKE ARTS CENTER

Laying the Foundation for ARTS Education

The Chesapeake Arts Center (CAC) is a vibrant arts center impacting an under-served community, in an area that has over 26.5% of residents living below poverty level, a rate significantly higher than any other area in Anne Arundel County.

"Laying the Foundation for ARTS Education," will fund the many worthwhile educational outreach programs at the center allowing families with limited resources to enroll in arts education classes, workshops, and after-school programs. These programs provide a safe, positive learning environment for children to express themselves, learn new skills, and build positive self-esteem. With your donation/purchase of a paver, you will be emphasizing your commitment to arts education that will be seen by over 70,000 annual visitors per year who participate in the many activities at CAC.



Bricks may be personalized with a name, date, graduation if you went to the original Brooklyn Park High School, etc. These pavers make a unique and enduring gift for the community and the spirit of giving back and paying it forward. Your brick paver gift is 100% tax-deductible.
